### **Power Financial Credit Union Merger With And Consolidation of TransCapital Bank Confirmed**

**PEMBROKE PINES, Fla.** – (December 3, 2019) – Power Financial Credit Union's (PFCU) acquisition of Florida-based TransCapital Bank (TCB), a Florida state-chartered commercial bank headquartered in Sunrise with \$208 million in assets, has been successfully approved. The merger and consolidation began earlier this year with a signed definitive agreement. Since that time, Power Financial Credit Union and TransCapital Bank have been working with the regulatory agencies to finalize the transaction. Power Financial Credit Union will maintain all three TCB branches.

The combined entity will bring the credit union's total number of full-service South Florida branches to nine, with total assets close to \$835 million serving more than 33,500 members. As of December 31, TCB's branches in Delray Beach, Hallandale Beach and Sunrise will operate as PFCU with the system integration on track for April 2020

According to Power Financial Credit Union CEO Allan Prindle, this is the first purchase of a bank for the company and is the largest bank commercial loan portfolio acquisition by a credit union in the tri-county area.

"We welcome TCB customers and employees as part of the Power Financial Credit Union family," said Prindle. "We are committed to making the transition as seamless as possible and we look forward to this expanded relationship."
