Block pop-up windows:

* It is recommended that "Block pop-up windows" be turned OFF because Internet Banking utilizes pop-up windows (e.g. Printer Friendly window, etc.).

NOTE: Block pop-up windows can also be turned on/off from the Safari menu.

Safari menu bar

Access the Preferences by click on the gear on the top left. If you don't see the gear, skip to next page to see alternate location.
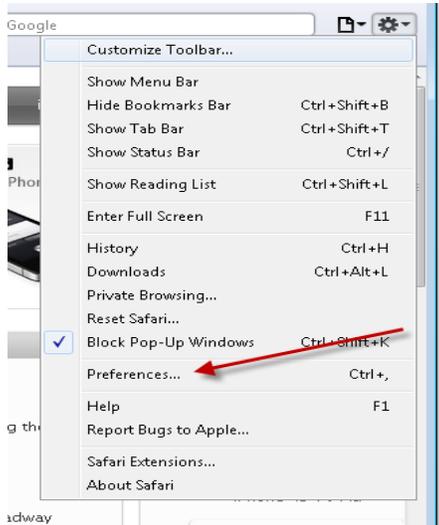

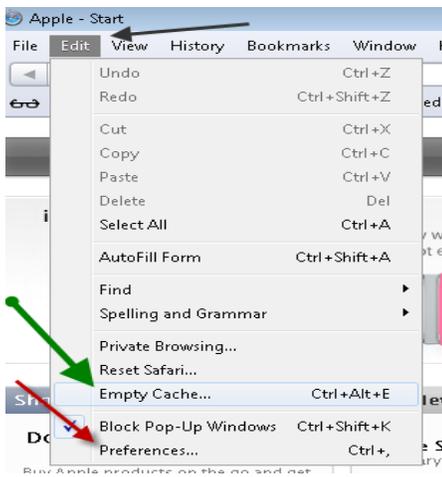

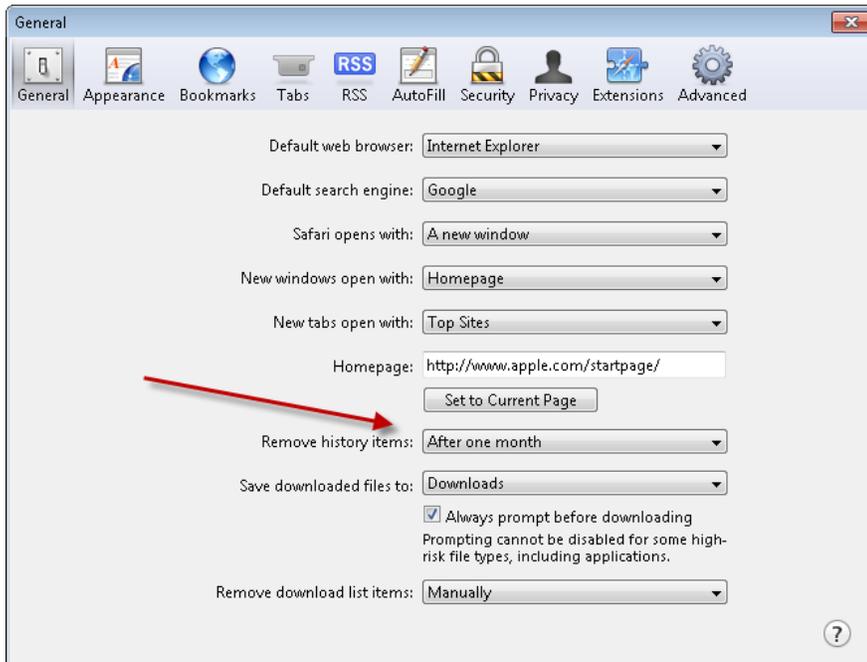

The preferences are towards the bottom.

If they don't have the gear in the corner, go to Edit and click on preferences shown below with a **Red** Arrow. The **Green** arrow will clear the cache.
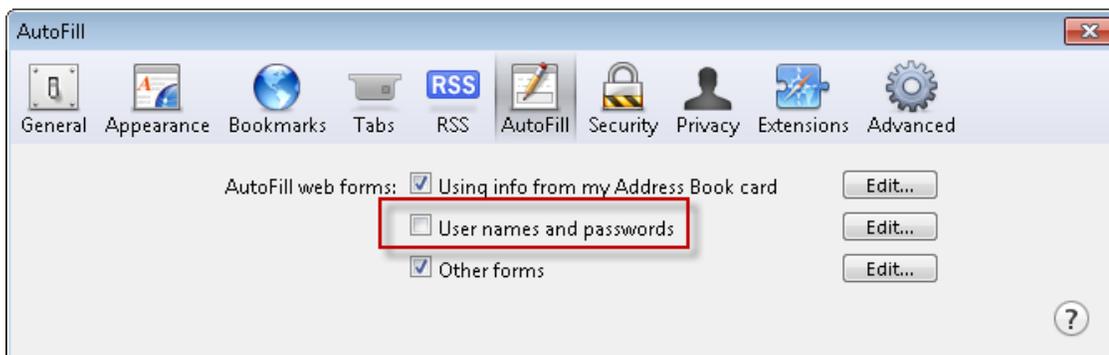

Safari preferences menu

Check the "**Remove history items**" setting, some people have it setup to delete after one day. Change it to *one year* or *manually*.

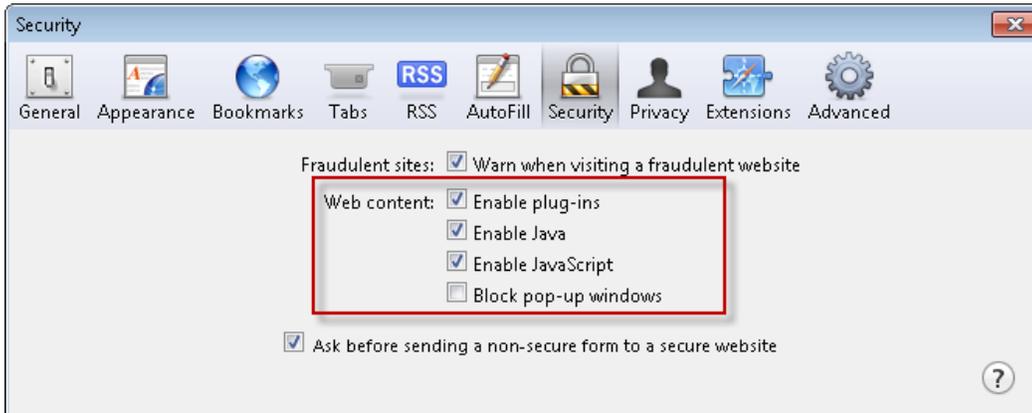

On the AutoFill tab, make sure "**User names and passwords**" are *unchecked*.
