

Recommended Browser Compatibility

In today's world, Power Financial Credit Union knows our member families and business partners use various operating and Internet browser systems – even within the same household. Our ultimate goal is that you have the absolute best experience on our newly redesigned site! However, we understand it is very unlikely we are able to provide web pages that will be identical and work efficiently and effectively across all browsers and settings.

Our website has been designed to look its best with the standard browsers outlined below. Keeping your browsers up-to-date is essential. Here're our best practices:

Browser Requirements

MAC

1. Safari Version (Latest Version). To learn more about or download the latest version please visit <https://www.apple.com/safari/>
2. Google Chrome (Latest Version). To download, please visit <https://www.google.com/chrome>
3. Mozilla Firefox (Latest Version). To download, please visit <https://www.mozilla.org/firefox/>
4. Opera (Latest Version). To download, please visit <http://www.opera.com/>
5. Internet Explorer (Latest Version). To download, please visit <http://www.microsoft.com/en-us/download/internet-explorer.aspx>
- 6.

PC

1. Safari Version (Latest Version). To learn more about or download the latest version please visit <https://www.apple.com/safari/>
2. Google Chrome (Latest Version). To download, please visit <https://www.google.com/chrome>
3. Mozilla Firefox (Latest Version). To download, please visit <https://www.mozilla.org/firefox/>
4. Opera (Latest Version). To download, please visit <http://www.opera.com/>
5. Internet Explorer (Latest Version). To download, please visit <http://www.microsoft.com/en-us/download/internet-explorer.aspx>

For older browsers, example, any browser prior to IE8, content may appear to have disappeared or graphic alignments may be off. Please update your browsers to above-noted versions.

For optimal viewing, please set your desktop screens to 1024 x 768 and enable JavaScript if your device allows it.

If you still have trouble viewing any part of our website, or if your browser and computer combination cause pages to be rendered unreadable, please let us know so we can address the problem. Contact us at info@powerfi.org.

We are open to making improvements to provide the best possible online experience for you, our member.

Here, we hear you. We respect you. And we'll help you. That's what family does!
